

January 3, 1976

PRESIDENT: Senator Anderson.

SENATOR ANDERSON: Mr. President, LB 413 was introduced by the Miscellaneous Subjects Committee at the request of the Liquor Control Commission and has to do with a situation when a protest is filed and then withdrawn the present law prevents the Liquor Control Commission from further investigation of the matter that was under protest. The language of this particular bill simply says that the withdrawal of the protest does not prohibit the Commission from conducting a hearing based on questions that were raised. As I indicated, this was requested by the Liquor Control Commission. It gives them authority to go ahead and investigate the matter that was under question, even though the protest has been removed.

I move that the bill be advanced.

PRESIDENT: Any further discussion? The question is the advancement of the bill. Record your vote. Please vote. Have you all voted? Record.

CLERK: 25 ayes, 2 nays, Mr. President.

PRESIDENT: The bill is advanced. LB 432.

PRESIDENT: Yes, I'm sorry, LB 431. Senator Chambers, are we ready to do something with this bill?

SENATOR CHAMBERS: Could I ... because both of my bills might take some discussion, could we ... and it's about seven minutes to 12, how long were you going to go?

SENATOR CHAMBERS: I don't think so.

PRESIDENT: Alright. Where is Senator Burbach?
